ORDER

13th Finance Commission has recommended grant of Rs. 49.60 crore for the entire award period(2010-15) for incentivising of BPL families;(Rs. 9.92 crore per year) as part of UID enrolment. Government of India has released first instalment of Rs. 4.96 crore for the year 2010-11 and then Rs. 9.92 crore, which together comes to Rs. 14.88 crore towards the incentive for UID to BPL families. The amount has been released to the Kerala State IT Mission by the Government of India.

As per G.O read as first paper above Government have decided for disbursement of incentive at the rate of Rs. 150/- per family through the bank account of the head of family, once the entire members of the family are enrolled. Due to the practical difficulties faced in making payment to BPL family, procedure has been simplified to the effect that payment can be made once head of family is enrolled. But Kerala State IT Mission (KSITM) failed to utilize the fund for want of seeding UID data with BPL data. This issue was discussed in the State Level Empowered Committee on 13th Finance Commission meeting held on 26-10-13 and arrived at a conclusion that fund received so far may be transferred to District Collectors who in turn can disburse the funds to BPL families.

As per letter read as 3rd paper above, Director, KSITM has reported that the amount available with KSITM(Rs. 14.88 Crores) is sufficient to disburse only 40% of the BPL families of the State and therefore amount sufficient to meet 40% of BPL families in each district may be disbursed districts wise. The local bodies may adopt the same method when they receive fund from District Collectors.

Government after examined the matter in detail are pleased to order the following:

1. Administrative Sanction is accorded for the 13th Finance Commission grant of Rs. 49.60 crores (Rs. 49,60,00,000/- for the entire award period of 2010-15(Rs. 9.92 crore per year) for incentivising BPL families as part of UID enrollment.

He shall operate the amount received from Government of India through Head of Account 3451-90-96(34)-(P). Each district will get 40% of the amount required for incentivising total BPL families in each districts at the rate of Rs.150 per BPL family. Total number of BPL families in each districts and amount required for releasing 40% is shown in the table annexed to this order.
